DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

The amendment filed 7 October 2004 is objected to under 35 U.S.C. 132 because it introduces new matter into the disclosure. 35 U.S.C. 132 states that no amendment shall introduce new matter into the disclosure of the invention. Specifically, the language beginning "and may be . . ." and "One skilled in the art . . ." is considered new matter. Additionally the fourth paragraph on page 6 of the Specification does not appear to begin on line 17 but rather on line 15 or line 11 (if only text is counted).

Applicant is required to cancel the new matter in the reply to this Office Action.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
